

Dendera Light

It's believed that ancient Egyptians may have had the technology to harness electricity and create light thousands of years ago. This technology is referred to as the light of the Dendera Temple. This customizable pendant light combines ancient Egyptian mysticism with modern home design. Dendera is suspended above dining tables, kitchen islands, bar seating; wherever people gather for good conversation.

MATERIALS

Solid black walnut/whitewashed ash cap, solid brass hardware and fittings, vegetable tanned oiled leather straps, and frosted acrylic diffuser lens. Dimmable 2700 kelvin low-voltage LED lighting.

FINISHES

Hand rubbed oil (walnut) or waterborne polyurethane (ash) and beeswax polish.
